SOFA

Classic charm meets oriental and spiritual suggestions in a refined and elegant sofa. The references to the Asiatic, mystical culture are declined in the use of gold and light tone sur tone nuances, revealing the introspective character of the brand. Raised from the ground by thin feet, the sofa is upholstered in a precious and light fabric with a typical Etro pattern and is enriched by refined details such as the decorative studs creating a paisley motif on the armrests.

Ornamental golden studs.

Other finishings and upholsteries available upon request from Etro Home Interiors collection.
